

If you are driven to be the best and are looking for an exciting career as a Truck Driver, look no further!! **North American Composites** is the place for you.

North American Composites is a leading distributor of resins, fiberglass, and other products for the composites industry. Due to our growth and success, we have an immediate need for experienced **Truck Drivers** (preferred) for our **Mays Landing, New Jersey facility**.

There is no better job in New Jersey for Truck Drivers. We are looking for Drivers with 2+ years experience, but this is not required – we will consider entry level Truck Drivers. A clean driving record with no more than 2 moving violations in the past 3 years and a valid CDL CLASS A with HazMat endorsements is required. The ability to operate a forklift as well as being able to handle material while working independently is a must. In addition to the qualifications listed above, you must have good customer service skills, and the ability to complete all associated paperwork.

WE OFFER:

- Competitive Pay
- Pay day is every Friday
- Holiday Pay (9 days)
- Medical & Dental
- Company paid Life & Disability Insurance
- 401K with Matching and Profit Sharing
- Flex Spending

Interested Candidates should send/email/fax cover letter, resume, and salary requirements to:
